

WHEN I WILL BE ABSENT FROM GOLF

A parent must call the main high school office to report the absence (**469-633-5500**).

Immediately upon hanging up the phone with the main office, call or text Coach Black/Kirkland with the same information. The cell numbers for each coach are on the new website---www.fhsgolfteam.com. The front office does NOT relate absences to coaches.

Please do not force a coach to “hunt” for your golfer on any given day. Consistent blatant disregard for this simple requirement could possibly subject the golfer to harsher penalties.

PARENTS: Please be responsible enough to contact a coach or make sure your golfer makes contact either by **CELL PHONE CALL** or **CELL PHONE TEXT MESSAGE** or **EMAIL** when your golfer will be unable to make practice on ANY day. Golf practice includes stations, tee times, natatorium, **and study hall**. Missing practice on a consistent basis for **any** reason except a drs. note will result in a contract being drawn up for excessive absences and could result in team removal.
